We are still waiting for the Victoria Club to arrange for water and drainage to be connected.

We have requested from a kitchen fitter 2 second hand base units, sink and drainer and 2 wall units. We will probably have to collect them from Yeovil, it was agreed to accept and we could work something out with regards collection.

Complete Weed Control have quoted £80 plus VAT to rid the lawn of trefoil. It was thought it was not the right time so Pamela will enquire when it should be done.

Mary apologised as it seems no one received a copy of the AGM minutes or the Agenda for this meeting. She will resend the minutes.

Chris reported that he has had cut some turf to replace some "dead" turf under some of the hoops. Half size lawns will need the hoop holes redoing before the next U3A course.
